	April 23, 2009	
	April 30, 2009	

Meet at Belgrade Middle School Cafeteria
6:30--8:00pm

Robotics

Have you signed up yet? Unfortunately we need to put a limit on the number that can sign up for the Robotics project. Get your enrollment form into our office.

Prepare to burn some volts and amps as you learn to build and program your Lego robot to perform fun and exciting challenges! This year we are offering two classes to choose from:

First year robots. New to Technic Legos and programming? This is the class for you! We will teach you everything you need to know to become a real "bot builder".

Second year robots. Sign up for this class if you participated in our robot program last year or already have lots of experience with the Lego NXT system. Take on all new challenges you never thought were possible before!

Classes will be held in the cafeteria at the Belgrade Middle School on Thursday evenings from 6:60-8:00pm. All you need is your pencil, 4-H notebook, and YOUR BRAINS!

The robotics program would like to graciously thank all the support the Gallatin Valley 4-H, enthusiastic participants, parents and commu-

nity has given us! If you have any questions about the program, please email Gregg at greggsweizer@bridgeband.com or call 581-0624 at your convenience. Keep your batteries charged!

Shooting Sports Leaders

There will be a meeting for shooting sports leaders, Sunday, October 12th at 5:00 pm at Yellowstone Gateway Sports. The schedule for the year will be set and any other matters concerning shooting sports will be discussed. Questions - call Bill Ott at 209-2599.

4-H Small Animals Meeting

The small animal projects would like to hold a meeting to show all interested members what these projects are all about. The meeting will be held on **Monday, October 13th at 6:30 PM**, call either Brenda Townsend at 284-6434 or Kelley Phipps at 599-1454 for location. Representatives from the poultry, rabbit, pocket pets, pigeons and cat projects will be there to answer questions and give a short presentation. There will be representatives from the poultry, rabbit, pocket pets, pigeons and cat project available to answer questions and help you get started. Each project will do a quick talk on where to get your animal and basic housing requirements. Follow-up meetings to be held monthly will cover topics such as feed, breeds of a species, quality care and showing the animals. A mentoring system will also be established, with older members paired up with newer, younger members to answer any questions or provide assistance as needed.

Vet Science

Our first meeting will be NOVEMBER 11th, Tuesday at Double Diamond Vet from 6-7 p.m.. It will be an orientation meeting. Most of our meetings are on the second Tuesday of the month. If you have any questions please call Sue Geske at Double Diamond Vet (406) 522-9491.
